Pens for Kids is a charity project based 100 % on volunteer work - to help kids in developing countries - primarily in Africa - to get an education. This organisation is –  
**Independent of religious or political influence.**

In Africa there are approx. 40 - 45 million (that is double the total population of Australia) of orphaned kids. Parents often have an income of only about \$1 a day.

The Pens for Kids project works like this:

We collect (new and used) pens and pencils or any other writing utensils from friends, colleagues, family and whoever donates them. These could be old company pens and pencils or forgotten ones in drawers at home or just simply, a pack of new ones. We then send them to our contacts in Africa - the Pens for Kids Ambassadors.

Give us your pens

we pay for sending them...

... to those who need them!

Some of our Pens for Kids Ambassadors:

The Ambassadors distribute the pens to underprivileged children in their local areas at no charge.

Thank you for the pens!
